AREA AGENCY ON AGING CONTACTS FOR INTERESTED PROVIDERS

The WA Cares Fund requires providers to have a contract with at least one Area Agency on Aging or the Department of Social and Health Services before providing services. You must reach out to each Area Agency on Aging you would like to contract with individually.

AAA services include:

- Adult day services, including adult day care and adult day health
- Dementia and behavioral supports
- Education and consultation
- Environmental modifications
- Home safety evaluation
- Home-delivered meals
- Housework and errands
- In-home personal care and respite for family caregivers with home care agencies
- Personal emergency response systems
- Professional nursing services, specifically skilled nursing
- Transportation
- Yardwork and snow removal

If you offer any service statewide, DSHS will process your application and manage your contract regardless of the service type.
