ADDITIONAL INFORMATION

- See the provider's guide to adaptive equipment and technology for examples of covered items and exclusions.
- **Usual and customary rate:** The amount paid for a medical service in a geographic area based on what providers in the area usually charge for the same or similar medical service.
- **Sales Tax:** for goods subject to sales tax, providers are responsible for determining the applicable sales tax amount and adding it to the service line in the pre-authorization in the Sales Tax field.
- **Comments:** When a beneficiary requests more than one good or service that is pre-authorized and claimed using the same service code, the provider must itemize each good or service in the comment section of the preauthorization and include the rate.

EXAMPLE OF A PRE-AUTHORIZATION COMMENT

Request: Beneficiary requests a smart lightbulb, video doorbell, and keypad door lock due to mobility issues. Each of these items are authorized using service code SA075.

Comment: Sylvania Smart Lightbulb (4 pack): $29.99, Blink Video doorbell: $89.99, Keypad door lock with handle: $139.99. Total: $259.97

KEY

UNIT TYPE	
EA	One unit is equal to the total cost of each good or service.
US	Units are equal to the quantity of goods or services provided.
OF	One unit is equal to one quarter hour (15 minutes).
PAYMENT TYPE	
RB	Units/dollars repeat for each month in the date span. If multiple months are pre-authorized, the number of units will be applicable to each calendar month.
MB	Units/dollars are the total for the entire date span and can be billed multiple times within the span, not exceeding the total amount pre-authorized.
SB	Units/dollars are the total for the entire date-span and can only be billed one time (on a single date of service).
