

Adaptive equipment and technology SERVICE CODE DATA SHEET

Note:

- Registered providers must only select service codes and modifiers that are available to them based on their fully executed contract(s) and contract subcode(s).
- See contract and contract subcodes for additional details.
- See [WA Cares maximum rates](#) sheet posted in the [provider toolkit](#).
- Three calendar months means up to 93 calendar days.
- Sales tax: for goods subject to sales tax, providers are responsible for determining the applicable sales tax amount and adding it to the service line in the pre-authorization in the sales tax field.
- When a beneficiary requests more than one good or service that is pre-authorized and claimed using the same service code, the provider must itemize each good or service in the comment section of the preauthorization and include the rate.

Example

Beneficiary requests a smart lightbulb, video doorbell, and keypad door lock due to mobility issues. Each of these items are authorized using service code SA075.

Comment

Sylvania smart lightbulb (4 pack): \$29.99, Blink video doorbell: \$89.99, keypad door lock with handle: \$139.99. Total: \$259.97
