- a. At DSHS's discretion, the Contract or Program Agreement may be renegotiated under the revised funding conditions.
- b. At DSHS's discretion, DSHS may give notice to Contractor to suspend performance when DSHS determines that there is reasonable likelihood that the funding insufficiency may be resolved in a timeframe that would allow Contractor's performance to be resumed prior to the normal completion date of this contract.
 - (1) During the period of suspension of performance, each party will inform the other of any conditions that may reasonably affect the potential for resumption of performance.
 - (2) When DSHS determines that the funding insufficiency is resolved, it will give Contractor written notice to resume performance. Upon the receipt of this notice, Contractor will provide written notice to DSHS informing DSHS whether it can resume performance and, if so, the date of resumption. For purposes of this subsection, "written notice" may include email.
 - (3) If the Contractor's proposed resumption date is not acceptable to DSHS and an acceptable date cannot be negotiated, DSHS may terminate the contract by giving written notice to Contractor. The parties agree that the Contract will be terminated retroactive to the date of the notice of suspension. DSHS shall be liable only for payment in accordance with the terms of this Contract for services rendered prior to the retroactive date of termination.
- c. DSHS may immediately terminate this Contract by providing written notice to the Contractor. The termination shall be effective on the date specified in the termination notice. DSHS shall be liable only for payment in accordance with the terms of this Contract for services rendered prior to the effective date of termination. No penalty shall accrue to DSHS in the event the termination option in this section is exercised.

17. **Waiver.** Waiver of any breach or default on any occasion shall not be deemed to be a waiver of any subsequent breach or default. Any waiver shall not be construed to be a modification of the terms and conditions of this Contract. Only the CCLS Chief or designee has the authority to waive any term or condition of this Contract on behalf of DSHS.

- 21. Indemnification and Hold Harmless.**
- a. The Contractor shall be responsible for and shall indemnify, defend, and hold DSHS harmless from all claims, loss, liability, damages, or fines arising out of or relating to a) the Contractor's or any Subcontractor's performance or failure to perform this Contract, or b) the acts or omissions of the Contractor or any Subcontractor.

DSHS may deduct the amount owed by the Contractor to the accident fund from the amount payable to the Contractor by DSHS under this contract, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. This provision does not waive any of L&I's rights to collect from the Contractor.
- 23. The Contractor's request for an adjudicative proceeding must:

 - d. Include a copy of the overpayment notice.
- Timely and complete requests will be scheduled for a formal hearing by the Office of Administrative Hearings. The Contractor may be offered a pre-hearing or alternative dispute resolution conference in an attempt to resolve the overpayment dispute prior to the hearing.
- Failure to provide OFR with a written request for a hearing within twenty-eight (28) days of service of a vendor overpayment notice or other overpayment letter will result in an overpayment debt against the Contractor. DSHS may charge the Contractor interest and any costs associated with the collection of this overpayment. DSHS may collect an overpayment debt through lien, foreclosure, seizure and sale of the Contractor's real or personal property; order to withhold and deliver; or any other collection action available to DSHS to satisfy the overpayment debt.
