### PROVIDER APPLICATION DETAILS

#### INSTRUCTIONS

Please review this entire document and compile the necessary information and documentation before you begin the WA Cares provider application process.

#### GENERAL DESCRIPTION OF SERVICE

Long-term care or custodial services provided in one of the following settings:

1. A setting that operates or maintains facilities providing convalescent or chronic care, or both, consistent with [Chapter 18.51 RCW](#) and [Chapter 388-97 WAC](#), for a period in excess of 24 consecutive hours for three or more patients who are not related by blood or marriage to the operator; and who, by reason of illness or infirmity, are unable to properly care for themselves.

Note: Convalescent or chronic care may include administering medicines; preparing special diets; giving bedside nursing care; applying dressings and bandages; carrying out treatment prescribed by a licensed health care provider; dementia care; and respite care for non-residents who are receiving care from family caregivers in their home.

2. A swing bed in a critical access hospital to provide post-acute nursing services, where "swing bed" is defined under [WAC 246-310-410](#) and "critical access hospital" is defined under [WAC 182-550-2598](#).

Excluded from nursing home services is medically necessary care provided in a skilled nursing facility that requires a licensed medical practitioner to perform, including, but not limited to:

1. Rehabilitation services such as physical or occupational therapy; and
2. Skilled nursing services such as wound care, intravenous injections and catheter care.

#### Respite care services subcode

There is one sub-code available to nursing home services providers. To provide this service, the contractor must be qualified and hold a contract with the applicable subcode.

- **Respite for family caregivers in a facility or residential setting:** Respite care for nonresidents who typically receive care from family caregivers in their homes.
